Mobil 1™ Extended Performance Oil Filter Limited Warranty

MANN+HUMMEL Purolator Filters LLC ("MANN+HUMMEL") provides this limited warranty to the original purchaser of Mobil 1™ Extended Performance oil filter products manufactured or sold by MANN+HUMMEL ("Covered Products"). Covered Products are warrantied to be free from defects in material and workmanship for the duration of the original equipment recommended change interval.

This limited warranty is valid:

- **For part numbers without "A" suffix (e.g., M1-110)** - Up to 1 year from the date of installation or 15,000 miles/25,000 kilometers, whichever comes first, when combined with a fully synthetic motor oil designed for your vehicle's intended oil change interval.
- **For part numbers with "A" suffix (e.g., M1-110A**) - Up to 1 year from the date of installation or 20,000 miles, whichever comes first, when combined with a fully synthetic motor oil designed for your vehicle's intended oil change interval.

This warranty covers properly installed filters used on approved applications.

In the event of an engine or equipment failure directly caused by a Covered Product, MANN+HUMMEL will provide the lesser of the: i) restoration of the engine or equipment to a condition equivalent to that existing just prior to the failure or ii) cash payment of the fair market value of the vehicle.

This warranty does not cover any filter that: a) has been subject to misuse, neglect, negligence, accident or casualty; b) has been improperly installed; c) has been used for non-approved or non-recommended applications or if used in competitive racing, on modified high performance engines or in any aircraft or aviation application; or d) has remained in service beyond the original equipment recommended change interval. This limited warranty does not include engine condition due to: normal wear; abnormal operation; negligence; abuse; or damage from casualty, shipment or accident.

To file a claim, you must follow MANN+HUMMEL's claims management process. Please submit claims to MANN+HUMMEL Field Services Department within 30 days after discovery of damage. MANN+HUMMEL reserves the right to examine the engine, equipment and filter to determine the amount of damage and whether such damage was caused by a defective Covered Product. Therefore, claimants must take the steps necessary to preserve the engine and/or equipment and the filter during the claims investigation period.

To initiate a claim, call +1 800 526-4250 or email: MPUS_Warranty@mann-hummel.com

How state or provincial law relates to the limited warranty

This limited warranty gives you specific legal rights, and you may also have other legal rights, which vary from state to state or province to province.

THIS WARRANTY IS EXCLUSIVE OF ANY OTHER WARRANTY, EXPRESS OR IMPLIED. TO THE FULLEST EXTENT ALLOWED UNDER APPLICABLE LAW, MANN+HUMMEL DISCLAIMS ALL IMPLIED WARRANTIES AND CONDITIONS AND ANY AND ALL CONSEQUENTIAL, INCIDENTAL AND SPECIAL DAMAGES. Some jurisdictions do not permit the exclusion of such warranties or damages, so this disclaimer may not apply to you.

The remedy provided here will be your only recovery against MANN+HUMMEL. You will not be able to recover incidental damages (for example, transportation costs to and from the MANN+HUMMEL representative for inspection of the equipment, loss of use, towing charges, bus fare, car rentals or other incidental damages) or consequential damages (the cost of repairing or replacing other property which was damaged because the filter was defective). Some states do not allow the exclusion of or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

Mobil 1™

HOW TO USE THIS CATALOG

IF YOU KNOW ENGINE MAKE, MODEL OR YEAR – AUTOMOTIVE/LIGHT TRUCK
This combined section is listed by manufacturer of the vehicle first. Secondly, vehicles are arranged alphabetically by year and then model. Engines for that vehicle are then sorted by smallest to largest in order. VINs are listed when needed to help with identification of the engines.

COMMENT UTILISER CE CATALOGUE

SI VOUS CONNAISSEZ LA MARQUE DU MOTEUR, LE MODELE ET L' ANNEE – AUTOMOBiIE/PETIT CAMION
Cette section combinée est dressee par ordre alphabétique de fabricante de véhicule d'abord. Les véhicules sont en suite classés par ordre alphabétique par année et ensuite par modèle. Les moteurs de ce véhicule particulier sont ensuite classés du plus petit au plus grand dans cet ordre. Les VIN (Numéros d'identification du Véhicule) sont énumérés lorsque nécessaire afin de vous aider à identifier les moteurs.

COMO USAR ESTE CATALOGO

SI USTED SASE EL MODELO, EL AÑO O LA MARCA DEL MOTOR – AUTOMOVIL/CAMIONETA
En esta sección combinada, aparece en primer lugar el nombre del fabricante. Luego, los vehículos están organizados alfabéticamente por año y luego por nombre del modelo. Los motores para ese vehÍculo están ordenados desde el más pequeño hasta el más grande. Los Números de Identificación del Vehículo (VIN) están listados cuando es necesario para ayudar.

Use As A Guide Only Application Must Be Verified.

NOTES:

MANUFACTURERS' WARRANTIES

Consumer purchasers of automotive filters are sometimes told by an automobile dealer's service writer or mechanic that a brand of replacement filter cannot be used in the consumer's vehicle during the warranty period. The claim is made that use of the brand will "void the warranty," with the statement or implication that only the original equipment brand of filters may be used. This, of course, tends to cast doubt on the quality of the replacement filter.

That claim is simply not true. If the consumer asks for the statement in writing, he will not receive it. Nevertheless, the consumer may feel uneasy about using replacement filters that are not original equipment. With the large number of do-it-yourselfers who prefer to install their own filters, this misleading claim should be corrected.

Under the Magnuson-Moss Warranty Act, 15 U.S.C. SS 2301-2312 (1982), and general principles of the Federal Trade Commission Act, a manufacturer may not require the use of any brand of filter (or any other article) **unless** the manufacturer provides the item **free of charge** under the terms of the warranty.

So if the consumer is told that only the original equipment filter will not void the warranty, he should request that the OE filter be supplied free of charge. If he is charged for the filter, the manufacturer will be violating the Magnuson-Moss Warranty Act or other applicable law.

By providing this information to consumers, the Filter Manufacturers Council can help to combat the erroneous claim that a brand of replacement filter other than original equipment will "void the warranty."

It should be noted that the Magnuson-Moss Warranty Act is a federal law that applies to consumer products. The Federal Trade Commission has authority to enforce the Magnuson-Moss Warranty Act, including obtaining injunctions and orders containing affirmative relief. In addition, a consumer can bring suit under the Magnuson-Moss Warranty Act.

Garantia limitada para filtros de aceite de rendimiento prolongado Mobil 1™ Extended Performance

MANN+HUMMEL Purolator Filters LLC ("MANN+HUMMEL") ofrece esta garantía limitada al comprador original de filtros de aceite Mobil 1™ de rendimiento prolongado fabricados o vendidos por MANN+HUMMEL (los "Productos Cubiertos"). Se garantiza que los Productos Cubiertos no presentarán defectos de material ni mano de obra durante la extensión del intervalo de cambio recomendado para el equipo original.

La presente garantía limitada tiene la siguiente validez:

- **Números de pieza sin el sufijo "A" (p. ej., M1-110):** hasta 1 año a partir de la fecha de instalación o 15.000 millas/25.000 kilómetros, lo que ocurra primero, cuando se utilice con un aceite de motor completamente sintético diseñado para el intervalo de cambio de aceite previsto para su vehículo.
- **Números de pieza con el sufijo "A" (p. ej., M1-110A):** hasta 1 año a partir de la fecha de instalación o 20.000 millas, lo que ocurra primero, cuando se utilice con un aceite de motor completamente sintético diseñado para el intervalo de cambio de aceite previsto para su vehículo.

Esta garantía cubre los filtros instalados correctamente que se usen en aplicaciones aprobadas.

En caso de que un Producto Cubierto sea el causante directo de la falla de un motor o equipo, MANN+HUMMEL proporcionará la alternativa de menor costo de entre las siguientes: i) la restauración del motor o equipo hasta un estado equivalente al que existía justo antes de la falla o ii) un pago en efectivo del valor razonable de mercado del vehículo.

Esta garantía no cubre ningún filtro que: a) haya estado sometido a un uso indebido, descuido, negligencia, accidente o siniestro; b) se haya instalado de forma incorrecta; c) se haya utilizado para aplicaciones no aprobadas o no recomendadas, o bien que se haya usado en carreras de competición, en motores modificados de alto rendimiento o en cualquier tipo de uso en aviación o aeronaves; o d) haya estado en servicio durante un intervalo mayor que el recomendado para el equipo original. La presente garantía limitada no cubre estados del motor debidos a: desgaste normal; operación anormal; negligencia; abuso; o daños provocados por siniestros, envíos o accidentes.

Para presentar un reclamo, siga el proceso de gestión de reclamos de MANN+HUMMEL. Envíe el reclamo al Departamento de Servicios de Campo de MANN+HUMMEL dentro de los 30 días siguientes a haber descubierto el daño. MANN+HUMMEL se reserva el derecho de examinar el motor, el equipo y el filtro para determinar la extensión del daño y para decidir si la causa de tal daño fue el defecto de un Producto Cubierto. Por tanto, durante el período que dure la investigación del reclamo, el solicitante debe tomar las medidas necesarias para preservar tanto el motor o equipo como el filtro.

Para iniciar un reclamo, llame al +1 800 526-4250 o escriba a: MPUS_Warranty@mann-hummel.com

Incidencia de la legislación estatal o provincial en la garantía limitada

Esta garantía limitada le otorga derechos legales específicos, y usted puede tener otros derechos legales, que varían entre un estado y otro y entre una provincia y otra.

ESTA GARANTÍA EXCLUYE CUALQUIER OTRA GARANTÍA, EXPRESA O IMPLÍCITA. EN LA MEDIDA EN QUE LA LEGISLACIÓN APLICABLE LO PERMITA, MANN+HUMMEL RECHAZA TODA GARANTÍA Y CONDICIÓN IMPLÍCITA, ASÍ COMO TODOS LOS DAÑOS INDIRECTOS, FORTUITOS Y ESPECIALES. Algunas jurisdicciones no permiten la exclusión de tales garantías o daños, por lo que esta limitación puede no tener validez para usted.

La medida correctiva que se ofrece aquí será la única restitución que MANN+HUMMEL está obligada a ofrecer. Usted no podrá recuperar daños fortuitos (por ejemplo, costos de transporte hacia y desde el representante de MANN+HUMMEL necesarios para la inspección del equipo, pérdida de uso, costos de remolque, pasajes de autobús, alquiler de vehículos o cualquier otro daño fortuito) ni daños indirectos (el costo de reparar o cambiar otras propiedades que sufrieron daños por los defectos del filtro). Algunos estados no permiten la exclusión o limitación de daños indirectos o fortuitos, por lo que la exclusión o limitación anterior puede no tener validez para usted.

Garantie limitée relative aux filtres à huile Mobil 1™ pour une performance prolongée

MANN+HUMMEL Purolator Filters LLC (« MANN+HUMMEL ») offre cette garantie limitée à l'acheteur original des produits de filtration d'huile Mobil 1™ Extended Performance fabriqués ou vendus par MANN+HUMMEL (« produits couverts »). Les produits couverts sont garantis contre tout défaut de matériau et de fabrication pendant la durée de l'intervalle de remplacement recommandé par l'équipement d'origine.

Cette garantie limitée est valable pour :

- **Pour les numéros de pièces sans suffixe « A » (par exemple, M1-110)** - jusqu'à 1 an à compter de la date d'installation ou 15 000 miles/25 000 kilomètres, selon la première éventualité, en combinaison avec une huile moteur entièrement synthétique conçue pour l'intervalle de vidange d'huile prévue pour votre véhicule.
- **Pour les numéros de pièces avec le suffixe « A » (par exemple, M1-110A)** - jusqu'à 1 an à compter de la date d'installation ou 20 000 miles, selon la première éventualité, en combinaison avec une huile moteur entièrement synthétique conçue pour l'intervalle de vidange d'huile prévue pour votre véhicule.

Cette garantie couvre les filtres correctement installés et utilisés sur des applications approuvées.

En cas de défaillance du moteur ou de l'équipement directement causé par un produit couvert, MANN+HUMMEL fournira le moindre des deux montants suivants : i) la restauration du moteur ou de l'équipement dans un état équivalent à celui existant juste avant la défaillance ou ii) le paiement en espèces de la juste valeur marchande du véhicule.

Cette garantie ne couvre pas les filtres qui : a) ont fait l'objet d'une mauvaise utilisation, d'une négligence, d'un accident ou d'un sinistre; b) ont été mal installés; c) ont été utilisés pour des applications non approuvées ou non recommandées ou s'ils sont utilisés dans des courses de compétition, sur des moteurs haute performance modifiés ou dans toute application aéronautique ou de transport aérien; ou d) sont restés en service au-delà de l'intervalle de changement recommandé par l'équipement d'origine. Cette garantie limitée n'inclut pas l'état du moteur dû à : une usure normale, un fonctionnement anormal, une négligence, un abus ou des dommages causés par un accident, une expédition ou une chute.

Pour déposer une réclamation, vous devez suivre le processus de gestion des réclamations de MANN+HUMMEL. Veuillez soumettre vos réclamations au département des services extérieurs de MANN+HUMMEL dans les 30 jours suivant la découverte des dommages. MANN+HUMMEL se réserve le droit d'examiner le moteur, l'équipement et le filtre pour déterminer le montant des dommages et si ces dommages ont été causés par un produit couvert défectueux. Par conséquent, les demandeurs doivent prendre les mesures nécessaires pour préserver le moteur et/ou l'équipement et le filtre pendant la période d'enquête sur les sinistres.

Pour déposer une demande d'indemnisation, appelez le +1 800 526-4250 ou envoyez un courriel à : MPUS_Warranty@mann-hummel.com

Comment la législation de l'État ou de la province se rapporte à la garantie limitée

Cette garantie limitée vous donne des droits légaux spécifiques, et vous pouvez également avoir d'autres droits légaux, qui varient d'un État à l'autre ou d'une province à l'autre.

CETTE GARANTIE EST EXCLUSIVE DE TOUTE AUTRE GARANTIE, EXPRESSE OU IMPLICITE. DANS TOUTE LA MESURE PERMISE PAR LA LOI APPLICABLE, MANN+HUMMEL DÉCLINE TOUTE GARANTIE ET CONDITION IMPLICITE TOUS LES DOMMAGES INDIRECTS, COLLATÉRAUX ET SPÉCIAUX. Certaines juridictions n'autorisent pas l'exclusion de ces garanties ou dommages, de sorte que cette clause de non-responsabilité peut ne pas s'appliquer à vous.

Le recours prévu ici sera votre seul recours contre MANN+HUMMEL. Vous ne pourrez pas recouvrer les dommages collatéraux (par exemple, les frais de transport vers et depuis le représentant de MANN+HUMMEL pour l'inspection de l'équipement, la perte d'usage, les frais de remorquage, le prix du bus, la location de voiture ou d'autres dommages collatéraux) ou les dommages indirects (le coût de réparation ou de remplacement d'autres biens qui ont été endommagés parce que le filtre était défectueux). Certains États n'autorisent pas l'exclusion ou la limitation des dommages collatéraux ou indirects, de sorte que la limitation ou l'exclusion ci-dessus peut ne pas s'appliquer à vous.

EXTENDED PERFORMANCE

Protects for **20,000** miles–
*GUARANTEED**

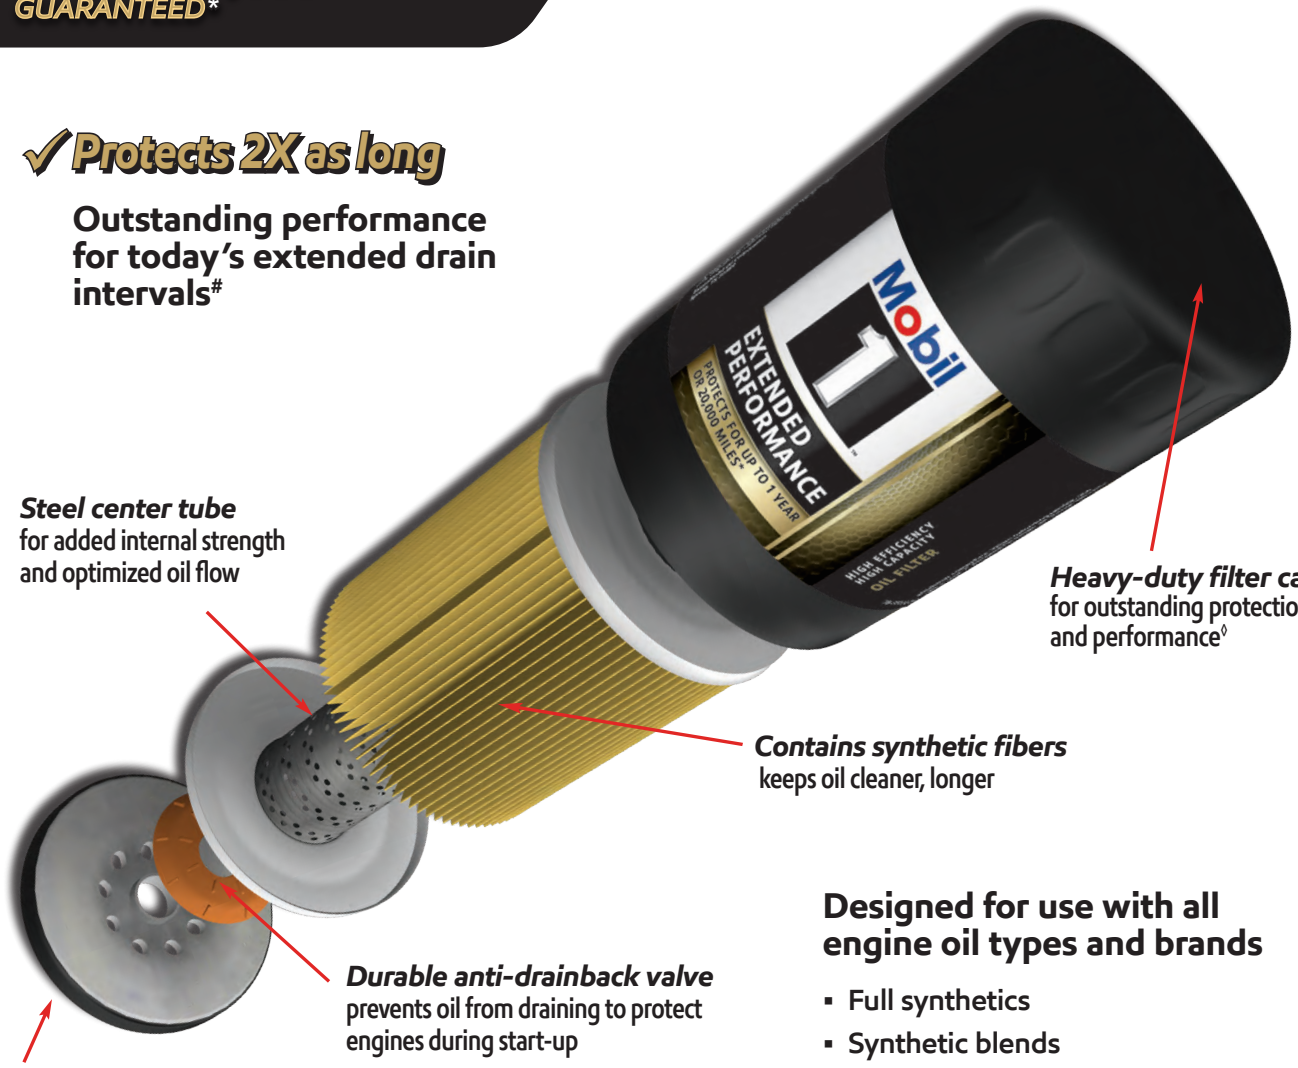
✓ Keeps oil cleaner, longer

99%+ efficiency**

Removes over 99% of contaminants†

✓ Protects 2X as long

Outstanding performance for today's extended drain intervals#



Steel center tube
for added internal strength and optimized oil flow

Heavy-duty filter canister
for outstanding protection and performance◊

Contains synthetic fibers
keeps oil cleaner, longer

Durable anti-drainback valve
prevents oil from draining to protect engines during start-up

Enhanced nitrile gasket
remains pliable to prevent leaks over time

Designed for use with all engine oil types and brands

- Full synthetics
- Synthetic blends
- High mileage oils
- Conventionals

Helps extend engine life
even under severe driving conditions

✓ Extra strength built-in

Strong, durable components for long-lasting performance

- Heavy-duty canister withstands 9X the normal system operating pressure◊
- Enhanced nitrile gasket remains pliable to prevent leaks
- Steel center tube for added internal strength

*Protects for 20,000 miles or 1 year, whichever comes first. When extending service, use with motor oil designed for longer oil change intervals.
**Efficiency rating based on removing particles greater than 30 microns.
†Vs. economy filter brands. ISO 4548-12 Test Procedure M1-301.
#When extending service, use with motor oil designed for longer oil change intervals.
◊SAE HS-806 Test Procedure M1-301.
